11. How satisfied are you with the achievement of the overall study program objectives and learning outcomes?4

WRITTEN COMMENTS

12. What do you see as the best feature of the study program you completed?Combination of theory and practice and case studies from the sector make this program unique since students are taught to apply knowledge in real life situations in the sector.

13. What do you see as a drawback in the study program in which you are teaching?Although the real estate sector is one of the biggest sectors in Kosovo, it is not fully developed yet, thus with further development of the sector, program would advance in terms of practice with real case studies from Kosovo.

14. What would you improve in the overall quality of the program?More opportunities for research and development of the staff would improve the quality in the long run.
