Annual Report on Industry Survey on the Quality Review of the study program Management of Real Estate and Infrastructure (MA) for academic year 2021-2022

The Industry Survey took place in August 2022 and the master program quality review form was sent to 22 constructions and real estate companies.

The sampling is purposive. All these companies are either familiar with students of ESLG, or students of ESLG worked there for a period of time, or have other mode of cooperation.

From 22 companies only 8 responded in due time. The survey was electronic conducted in Survey Monkey with 10 questions and was sent via email to company and organization representatives. The questions were with Likert Scale from 1 to 5 (very dissatisfied to very satisfied).

The results of the survey have been presented below:

Approved by industry representatives Gent Sejdiu (KRG) and Bajram Hoxha (Hoxha Invest Group)

RECOMMENDATION:

- More guest speakers that will address issues that boost performance of construction businesses directly;
- Add elective courses or teaching methods that enable the graduates to boost the organizational performance of real estate businesses
