

KOLEGJI ESLG

Transcript of the Industrial Board

Present: Gent Sejdiu (KRG), Bajram Hoxha (Hoxha Invest Group)

The **meeting** was opened by the Head of Industrial Board who proposed **the following agenda:**

AGENDA

1. Approval of the quorum
2. Approval of the agenda
3. Organizational issues
4. Miscellaneous

The Industrial Board tasked Mr. Bajram Hoxha to serve from now on as a minute taker.

Mr. Gent Sejdiu reviewed industry analysis of the master and bachelor program and proposed that these reports be approved and be published online in the website of College ESLG to be transparent for all stakeholders.

Mr. Sejdiu acknowledged the fact that industry representatives are more satisfied with the contribution to business performance of master graduates than those of bachelor graduates and recommended that the Quality Office should perform a qualitative to review with industry representatives to identify the weaknesses of bachelor students in contribution to business performance of construction and real estate companies in which they work since the industry survey was quantitative for both programs.

Mr. Bajram Hoxha acknowledged the contribution of College ESLG serving as a technical editor in the translation of TEGOVA Valuation Standards in Albanian, a project which was funded by Property Rights Project of USAID for the Kosovo Real Estate Appraisers' Association. He acknowledged that publication of TEGOVA standards in Albanian are an immense assistance for real estate appraiser profession since until now they were only available in English and many appraisers did not understand.

Contribution of ESLG to technical editing of the translation and providing consistency and uniformity of technical terms in the Albanian version of TEGOVA standards is an immense contribution that should be acknowledged.

The Industrial Board recommended that the final Industry Survey Report be drafted by Quality Office of College ESLG.
