

Annual Report on Industry Survey on the Quality Review of the study program Management of Real Estate and Infrastructure (MA) for academic years 2017-2018 and 2018-2019

The Industry Survey took place on 03.02.2020 and the master program quality review form was sent to 100 constructions, real estate companies and other stakeholders from public institutions, including several ministries, Kosovo Cadastral Agency and other organizations of civil society.

The sampling is purposive. All these companies are either familiar with students of ESLG, or students of ESLG worked there for a period of time, or have other mode of cooperation.

From 100 companies only 22 responded in due time. The survey was electronic conducted in Survey Monkey with 10 questions and was sent via email to company and organization representatives. The questions were with Likert Scale from 1 to 5 (very dissatisfied to very satisfied).

The results of the survey have been presented below:
